What could you do to feel calmer?

What do you do best when you're feeling in control?

Word Problem

Mary had 5 little lambs
Their fleece was white as snow
How many lamb legs are there?
Do you think you know?

They followed her to school one day
Which was against the rules
They sat on 2 stools each
What were the total number of stools?

It made the children laugh and play
To see some lambs at school
They gave them 3 candies each
Can you guess the total number of candies? That would be pretty cool!

Illustrated by Eugene Ruble

Hai-kus are easy
Five syllables then seven
Then five once again
Five syllables then seven
Five syllables then seven
5-7-5
5-7-5
5-7-5
Hummingbirds are here
After a very long flight
They are thirsty birds
Snowflakes flutter down.
Just a few at a time though.
Suddenly, a drift
Now that you’ve read about a haiku and read a few, try to create your own. Use scrap paper to plan out a first draft. Then, copy it on the lines below and illustrate it. Remember: The syllables are 5 for line one, 7 for line two, and 5 for line three.
